

Let's Play

DISCOVERY TOY BASKET WHAT?

- 1) Place a variety of objects found around your home (utensils, keys, small pieces of fabric, ribbon, bells, wooden rings, shells, rocks, old CDs, shakers...) and place in a basket or container and present it to your child *do not direct their play
- 2) Let your child explore, create and invent using the variety of materials. Ask open ended questions to support your child's communication and literacy skills.

Engagement with Others, Materials, and the World

WHY?

Learn to explore the world around them with confidence, creativity, developing fine motor skills while using all of their senses

WHERE & WHEN

- ❖ Exploration can be done anywhere-inside or outdoors!
- ❖ Any time of the day!

For example:

"What do you see/feel/hear?"

"What do you think this is used for?"

"What have you found?"
