RE: Kindergarten Health Fair

Dear Parents/Guardians:

Students who are **currently** in kindergarten in Fort St. John, have been asked to take part in the Kindergarten Health Fair at the Fort St. John Medical Clinic. This clinic is scheduled for **February 10 - 14, 2025**.

The clinic provides school age immunizations (that they may be eligible for). There will also be information available on other screening and health programs.

If you have not already done so, please call Public Health at 250-263-6000 to **make an appointment as soon as possible**.

Thank you.
